

1. Shut off the power before installation.
2. Fix the mounting strap to ceiling.
3. Feed the main wire through chain connectors, chain and canopy. Connect chain to the top chain connector and screw the bottom chain connector onto the light fixture.
4. Connect the wires with wire connectors to the corresponding wires in ceiling.
5. Attach the canopy to mounting strap and screw the top chain connector onto the mounting rod, fixing with lock nut.
6. Install the light bulbs (not included with the light fixture) and turn on the power.
